Welcome, Dr. Harold Pincus!

This week we are excited to welcome Dr. Harold Pincus, Vice Chair of the Department of Psychiatry and Co-Director of the Irving Institute for Clinical and Translational Research at Columbia University. Dr. Pincus researches the practice of evidence-based medicine, quality measurement and improvement, and the relationships among general medicine, mental health and substance abuse. He has served as a professional staff member of the President's Commission on Mental Health and as a congressional fellow in the U.S. House of Representatives.

Join us Thursday for his Health Services Research Seminar Series talk!
