Games⁴Health

October 19-21, 2018

Are you a student interested in developing a game to improve health? Do you have skills in programming, design, or other game development-related fields?

Register for Games4Health, an annual game jam organized by Core Faculty Member Dmitriy Babichenko. For more information, visit pittgames4health.com!

Winning Games4Health teams will also present at the 4th Integrative Conference on Technology, Social Media, and Behavioral Health on Monday, November 5th.

Register for the Conference now!

2017 Games4Health Winners at the 3rd Integrative Conference on Technology, Social Media, and Behavioral Health.
