## Happy Holidays!

Here at the Center, we celebrated the holidays by touring the Google Pittsburgh offices in Bakery Square! Dr. Sagi Perel, a software engineer and data scientist at Google, provided a tour around the innovative space and described potential opportunities for collaboration.

As this is our last HealthTechWeekly for 2017, we extend our best wishes for a relaxing holiday and a happy and healthy new year!

Our tour today reminded us of this scene in *The Internship*. Enjoy!

We hope you are enjoying our weekly newsletter! Please send us (email [healthtechpitt@upmc.edu](mailto:healthtechpitt@upmc.edu)) relevant articles, events, videos, and projects you are working on for us to include in upcoming issues!
