#APS2019VAN Highlights

Last week the HealthTechPitt team traveled to Vancouver for the 77th Annual American Psychosomatic Society Meeting.

Center Director Dr. Bruce Rollman completed his year as APS President, and the Center presented multiple posters and papers and led a symposium.

See a few top tweets from the Conference below, and follow us @HealthTechPitt on Twitter for more highlights!

APS President @APSPresident · 58m

#delighted #APS2019VAN was a huge success!! Record # abstracts, 2'nd largest attendance in past 10 years, membership up >15%.

Thank you @sarahpressman (program chair), @claudiatfitz (social media chair), Sarah Shiffert of Degnon Assoc. and "TNTC" others! #gratitude @connectAPS

Center Director Dr. Bruce Rollman presenting for the first time (!!) the main outcomes of the Hopeful Heart Trial, examining the effectiveness of a blended collaborative care approach to treating heart failure & depression. #APS2019VAN #ThisIsHealthPsych

Julia Holber @JuliaHolber · Mar 7

Evidently thrilled to be delivering my first oral presentation in "Neighborhoods & Health" paper session at #APS2019VAN... thanks to @HealthTechPitt & @connectAPS for giving me this incredible opportunity!

Health Tech Pitt @HealthTechPitt · Mar 10

The @HealthTechPitt team is headed back to Pittsburgh after an amazing #APS2019VAN! Until next time... 🇨🇦
